

**REMARKS****Paragraphs 1-3 of the Office Action**

Claims 1-6 and 8-11 are rejected under 35 USC §102(b) as being anticipated by  
5 U.S. Patent Number 3,590,829 to Parisi. Claim 12 is objected to as being dependent  
upon a rejected base claim, but would be allowable if rewritten in independent form  
including all of the limitations of the base claim and any intervening claims.

Claim 1 has been amended to include claim 12 and all intervening claims. It is  
believed that claim 1 and all remaining claims depending from claim 1 are in condition  
10 for allowance.

The applicant respectfully requests withdrawal of the rejection.

CONCLUSION

5

In light of the foregoing amendments and remarks, early consideration and allowance of this application are most courteously solicited.

Respectfully submitted,

10
